

ANTI-SLAVERY POLICY STATEMENT

Lea Manufacturing is a business that manufactures and supplies polishing compounds, buffs and ancillary equipment for mechanical polishing.

Lea Manufacturing believe modern slavery is a violation of fundamental human rights and as such has a zero tolerance approach to modern slavery where any compulsory or coercive labour and / or human trafficking exploits any person.

We are committed to ensuring transparency within our business and expect the same from our suppliers and contractors ensuring compliance with the Modern Slavery Act 2015.

Our directors have responsibility for ensuring and monitoring the compliance with this policy.

All employees must report any part of the business or supply chain suspected of modern slavery to a company director.
